OSHA Docket
Docket No. H-122
Room N-2625
200 Constitution Avenue, NW
Washington, DC 20210

9 75626

Dear Sir or Madam,

I am opposed to the proposed OSHA regulation. It should be stopped. Smoking is a personal choice and the government should not have anything to do with it. They shouldn't be interfering. The government already controls too much of our lives.

OSHA, you should not be sticking your nose this far into the smoking issue. This proposal is an infringement on our rights. Stop the proposal. Stay out of our personal choices. Abandon the regulation.

Yours truly,

Louis J. Amadio
